

REMARKS

Claims 50-56 and 58-67 were previously presented for review. Applicants appreciate the Examiner's allowance of claims 58-59 and 61-67, and indication that claim 54 recites subject matter that is allowable over the cited prior art. By this amendment, claim 52 has been amended to incorporate the subject matter of claims 53 and allowable claim 54, and claims 50-51, 53-54, and 60 have been canceled, leaving claims 52, 55-56, 58-59, and 61-67 currently pending in the application. In view of the following remarks, reconsideration and allowance of all claims are respectfully requested.

As a result of the amendments noted above, all rejected claims have been canceled, leaving only those claims that have been allowed or indicated as reciting allowable subject matter. Accordingly, reconsideration and allowance of the application are respectfully requested.

In view of the foregoing, it is submitted that claims 52, 55-56, 58-59, and 61-67 are in good and proper form for allowance. A favorable action on the part of the Examiner is respectfully solicited. If, in the opinion of the Examiner, a telephone conference would expedite prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
